

Privacy Policy

Last updated: December 2025

1. Introduction

Arise (“we”, “our”, “us”) is an AI-powered career mapping platform designed to analyze resumes, identify skill gaps, and generate personalized career learning roadmaps. This Privacy Policy explains how we collect, use, store, and protect your information when you use the Arise platform.

By using Arise, you agree to the collection and use of information in accordance with this policy.

2. Information We Collect

2.1 Personal Information

When you register or use the platform, we may collect:

- Name and email address
- Login credentials
- Career goals and preferences

2.2 Resume & Career Data

When you upload a CV or interact with the platform, we may collect:

- Resume files (PDF, DOC, DOCX)
- Skills, experience, certifications, and education extracted from your CV
- Target roles, interests, and learning progress

2.3 Technical Information

We may automatically collect:

- IP address
 - Browser and device information
 - Usage data (pages visited, features used)
-

3. How We Use Your Information

We use your data to:

- Analyze your CV and extract skills
 - Generate career role suggestions and learning paths
 - Perform skill gap analysis
 - Improve platform accuracy and user experience
 - Maintain security and prevent misuse
-

4. AI & Third-Party Services

Arise uses third-party APIs and services, including:

- **Gemini AI** for resume analysis and recommendations
- **Serper API** for job market and role data
- **Firecrawl** for scraping learning resources

Your data may be processed by these services **only for functionality purposes** and is not sold or shared for advertising.

5. Data Storage & Retention

- User profiles and career data are stored in Jaseci's graph database

- Uploaded resumes are stored locally on the server
- Learning paths are generated as markdown files
- Data is retained only as long as necessary to provide the service

You may request deletion of your data at any time.

6. Data Security

We implement reasonable technical and organizational measures to protect your data. However, no online system is 100% secure, and we cannot guarantee absolute security.

7. Your Rights

You have the right to:

- Access your personal data
 - Update or correct your information
 - Request deletion of your data
 - Stop using the service at any time
-

8. Children's Privacy

Arise is not intended for users under the age of 13. We do not knowingly collect data from children.

9. Changes to This Policy

We may update this Privacy Policy from time to time. Changes will be posted on this page with an updated date.

10. Contact

For questions or concerns regarding privacy, please open an issue in the project repository.
